## **Anwar Kalid**

### anwarkalid17@gmail.com | 14080 Mosswood Ct, Eastvale, CA | (951) 317-1812

EDUCATION: University of California Los Angeles, Class of 2022

Bioengineering Major

Norco College, Norco, CA Class of 2018

Associate Degree in Math and Science

Associate Degree in Social and Behavioral Studies

**SKILLS:** Microsoft Office (advanced), Computer Skills (Unity, Blender, and MATLAB)

#### **EXPERIENCE:**

### Pulse Oximeter Build Team, Team Member, Los Angeles, CA

Sep 2020 - June 2021

- Responsible for using coding and Arduino to help design the product
- Responsible for using advanced circuitry and PCB design to help produce the product

# UCLA Visual Machines Group, Student Researcher, Los Angeles, CA

Jun 2021 – Present

- Assisted in the organization and execution of student-led experiments
- Utilized programs such as MATLAB to help acquire data from research subjects

# David Geffen School of Medicine, Undergraduate Researcher, Los Angeles, CA

Oct 2021 – Present

- Gained communication skills and experience in magnetic resonance imaging
- Responsible for using MATLAB and CAT-12 to help analyze drift correction values in patient datasets
- Responsible for using Statistical Parameter Mapping to help analyze brain matter data

### **LEADERSHIP & ACTIVITIES:**

## National Society of Black Engineers, Member

Sep 2018 – Present

- Collaborate in student-led groups to build personal and professional networks
- Execute alumni outreach to support members in navigating career recruitment processes

### Biomedical Engineering Society, Member

Sep 2019 – Present

- Foster a sense of community among fellow UCLA bioengineering majors
- Collaborate with faculty in student-led groups seeking career and research opportunities in bioengineering

### Renaissance, Treasurer

Sep 2017 - May 2018

- Led discussions around pressing topics, ranging from money monetization to student activity planning
- · Served as point of contact for several companies in order to raise money for club activities

### Summer Bridge Program, Member

Sep 2018 – Sep 2018

• Participated in an intensive two-week Summer Bridge Program at UCLA

### **HONORS & AWARDS:**

•	Graduated with Best Male Student Honor from JFK Middle College Graduated with Honors from Dean's List from Norco College	2018 2018
